HARRIS ECKSTUT TEACHES
“THE DOLLARS & SENSE
OF OWNING A RESTAURANT”
THE DOLLARS AND SENSE OF OWNING A
RESTAURANT
At the Rutgers-Camden SBDC

This workshop is for individuals who want to become a restaurant owner and for those interested in investing in a restaurant. You will receive insights that can only come from long-term accomplishments and commitments. Restaurant business planning and operational analysis will be the emphasis. If you are considering or already in the restaurant business, DO NOT miss this exciting opportunity to receive great information from Harris Eckstut who has over 20 years as a successful restaurant owner and share his extraordinary knowledge and depth of experience.

- more -

As one restaurateur client in Collingswood, NJ stated, *“Harris took us by the hand and taught us all the things about the restaurant business that we didn't even know we didn't know! Because of him, we are still in business and now thriving instead of floundering.* Eckstut is a lively presenter who incorporates his restaurant business knowledge and depth of experience with learning methods that keep participants actively engaged and prepared to make those important successful life changing decisions. - ***A Five-Star Class!***

Harris Eckstut, as the principal at **ECKSTUT RESTAURANT CONSULTING** - www.eckstutconsulting.com emphasizes leasing and development, operational analysis and planning, restaurant turnarounds, and business plans for the independent or prospective restaurant owner throughout the East Coast. He also evaluates business plans, operations and budgets for banks, attorneys, investors, developers, and community organizations. Harris owned the legendary MontSerrat Restaurant on South Street for 20 years and has over 30 years experience in the independent restaurant industry. His many clients include recent projects with: Streuver Bros. Eccles & Rouse - www.sber.com in Baltimore MD, Providence RI, Durham NC; North by Northwest Restaurant www.nwnwphl.com; Broad Street Preservationists, Quakertown, PA; Everyman Bistro, Providence, RI; American Tobacco Campus, Durham, NC; Southeastern Pennsylvania Economic Development Bank; People’s Emergency Center - Community Development Corporation, the Commerce Department of the city of Wilmington; The Merchants Fund of Philadelphia, The Pop Shop in Collingswood, NJ www.thepopshopusa.com, RGV Developers, EE&K Architects in New York, Washington D.C., Los Angeles, and Shanghai www.eekachitects.com ; banks, attorneys, community organizations, developers, investors, and realtors.
